

**Sec. 26-1. Address Numbers.**

- (a) *Building number assigned.* Each single-family, duplex or multifamily building and each business place in the village shall be assigned a building number by the village public works department in accordance with the building number map which is on file in the village office.
- (b) *Physical appearance and location.* The physical appearance and the location of the numbers shall be in accordance with the following:
  - (1) Each owner must fasten or paint a permanent, legible building number of a conspicuous color contrasting to the building background color on each building with a designated address. The term "legible" means any numeral but not a number in script form (i.e., "twenty nineteen," "one hundred two," etc.) Numbers may be a metal such as brass, bronze, etc., but they must be easily viewed from the street and must stand out from the background to which they are applied.
  - (2) Numbers shall be no smaller than three inches in height.
  - (3) The location of the number should be on either side and within two feet of or as close as possible to the front door or main entrance. It also may be above the door when no room is available to the sides of the door. If the front door faces away from the street or is not at the front of the house or building, the number should be placed on the surface of the building adjacent to and parallel with the street.
- (c) *Visibility.* If the building is set back 30 feet or more from the front property line, the number shall be displayed on a mailbox or signpost near the front property line. The requirements of subsections (b)(1) and (2) of this section shall apply to this subsection.
- (d) *Enforcement.* The fire department, village public works department or village board is responsible for the enforcement of this section.

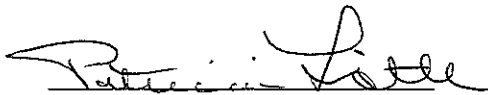

This ordinance is effective on publication or posting. The Village Clerk shall properly post this ordinance as required under Wisconsin Statutes 60.80.

Adopted this 10 th day of Sept., 2024
